The North Kingstown Police Department condemns all horrific and unnecessary action of any law enforcement officer who undermines the trust of their community.

In the wake of current undeniably tragic events, we want our community to know that we support First Amendment rights and free speech for all.

We stand with peaceful groups that support equality regarding race, sexual orientation and religion.

We hear your voices and are always here to listen and learn.

Please do not let the disturbing and horrific actions of a few tarnish the badges of the many who truly want to do all we can to keep our communities a safe place.

We look forward to working with organizations that promote equality, as well as develop solutions to building better relationships.

The North Kingstown Police Department is a RIPAC Accredited Police Department. For further information on accreditation standards please visit <https://www.ripolicechiefs.org/accreditations>.
