

SECTION 00300

BID

To the Town of North Kingstown, Rhode Island, herein called the "Owner", for
"Wickford Waterfront Improvements Project."

The Undersigned, as a bidder herein referred to as singular and masculine, declares as follows:

New England Building and Bridge Co., Inc

(Name of Bidder)

- (1) The only parties interested in this BID as Principals are named herein;
- (2) this BID is made without collusion with any other person, firm, or corporation;
- (3) no officer, agent, or employee of the Owner is directly or indirectly interested in this BID;
- (4) he has carefully examined the site of the proposed Work and fully informed and satisfied himself as to the conditions there existing, the character and requirements of the proposed Work, the difficulties attendant upon its execution and the accuracy of all estimated quantities stated in this BID, and he has carefully read and examined the Drawings, the annexed proposed AGREEMENT and the Specifications and other Contract Documents therein referred to and knows and understands the terms and provisions thereof;
- (5) he understands that information relative to subsurface and other conditions, natural phenomena, existing pipes and other structures (surface and/or subsurface) has been furnished only for his information and convenience without any warranty or guarantee, expressed or implied, that the subsurface and/or other conditions, natural phenomena, existing pipes and other structures (surface and/or subsurface) actually encountered will be the same as those shown on the Drawings or in any of the other Contract Documents and he agrees that he shall not use or be entitled to use any such information made available to him through the Contract Documents or otherwise or obtained by him in his own examination of the site, as a basis of or ground for any claim against the Owner or the Engineer arising from or by reason of any variance which may exist between the aforesaid information made available to or acquired by him and the subsurface and/or other conditions, natural phenomena, existing pipes and other structures (surface and/or subsurface) actually encountered during the construction work, and he has made due allowance therefore in this BID;
- (6) and he understands that the quantities of work tabulated in this BID or indicated on the Drawings or in the Specifications or other Contract Documents are only approximate and are subject to increase or decrease as deemed necessary by the Engineer; and he agrees that, if this BID is accepted he will contract with the Owner, as provided in the copy of the Contract Documents deposited in the office of the Engineer, this BID form being part of said Contract Documents, and that he will perform all the work and furnish all the

materials and equipment, and provide all labor, services, plant, machinery, apparatus, appliances, tools, supplies and all other things required by the Contract Documents in the manner and within the time therein prescribed and according to the requirements of the Engineer as therein set forth, and that he will take in full compensation therefore the total dollar amount tabulated from the actual measured quantities of said work and each unit or lump sum price stated in this BID as hereinafter set forth.

(Note: All entries in the entire BID must be made clearly and written legibly in ink or typewritten; price bid must be written in both words and figures.)

STATE OF RHODE ISLAND

UTILIZATION OF MINORITY BUSINESS ENTERPRISES

This project is subject to Chapter 37-14.1 of the Rhode Island General Laws, and regulations promulgated thereunder, which require that fifteen percent (15%) of the dollar value of work performed on the project be performed by minority business enterprises. Of that fifteen percent (15%), minority business enterprises owned and controlled by a minority owner shall be awarded a minimum of 7.5%, and minority business enterprises owned and controlled by a woman shall be awarded a minimum of 7.5%.

The Bidder, as part of the Bid, must submit a MBE PLAN outlining the manner in which he shall make a substantial and concerted effort to meet the fifteen percent (15%) MBE requirement and submit said plan to the Director of the Rhode Island Department of Administration for approval.

The plan shall include a projection of the number and types of subcontracts to be awarded and a projection of the number and types of MBE's likely to be available to compete for subcontracts from the prime contractor over the period of the project.

PROPOSED MBE/WBE PLAN

(All bidders must complete and submit this State Plan with Bid, attach additional sheets as needed)

| <u>Proposed MBE Subcontractor</u> | <u>Description of Work</u> | <u>Dollar Value (\$)</u> | <u>% of Total Contract</u> |
|---------------------------------------|---------------------------------|------------------------------|--------------------------------|
| RT Nunes & Sons | Paving | \$206,582.60 | 8% |
| Oak Hill Farm LLC | Site Work, Trucking, Excavation | \$194,250.00 | 7.52% |
| | | | |
| | | | |
| | | | |
| | | | |
| Total MBE Participation | | \$ 400,832.60 | 15.52% |

Bidder to insert description of work, percentage of Total BID, and MBE subcontractors' names as may be required.

This is to certify that all names of the above-mentioned MBE subcontractors are submitted with full knowledge and consent of the respective parties.

The Bidder warrants that none of the proposed MBE subcontractors have any conflict of interest as respects this contract.

Certified Professional Engineer with extensive experience in civil engineering & management of construction & land development projects. Engineering forte is building renovations, capital improvement projects and municipal initiatives, with expertise analyzing, maintaining technical standards and solving the most complex of problems. Adept at managing a team of engineers, project managers and construction workers, including direct reports and subcontractors.

Professional Engineer (Civil), State of RI (#9322)
BS, Civil & Environmental Engineering, URI, Kingston, RI
National Society of Professional Engineers, RI Chapter

Licensed OWTS Designer - Class III, State of RI
Licensed OWTS Installer, State of RI
AutoCAD, GIS systems & OSHA Certified

Professional Experience

New England Building & Bridge Co Inc, 2014, 2022 -Present
Project Manager/Superintendent

Greenville, RI

- Oversee and manage work crews for various Municipality, RIDOT and Mass DOT Projects
- Prepare cost estimates for various Municipality, RIDOT and Mass DOT Projects
- Perform survey for all utilities and concrete structures, box beams and road profile
- Prepare biweekly CPM schedule updates
- Estimate utility, site and pile driving operations
- Oversee concrete formwork operations

RP Iannuccillo & Sons, 2010 - 2014, 2021
Project Manager/Superintendent

Providence, RI

- Oversee and manage 10+ work crews & subcontractors for utility and site development for projects ranging from \$400K to \$4 mil., while ensuring projects are completed within scope, on time and within budget
- Constructed & monitored all phases of the Boston's Pond Dam Project in Newport for \$4.5M
- Supervised construction of \$16 mil CIP Pier Project for Electric Boat Quonset.
- Negotiate contracts and change orders for all phases of project
- Estimate municipal utility and site work projects

Manafort Bros./Fleet Construction, 2007 - 2010
Superintendent

Cumberland, RI

- Schedule 10+ work crews for asphalt paving, grading, curb work, concrete flatwork, and for all phases of water main replacement project totaling \$20 million
- Oversee work crews for production, quality and budget compliance
- Solicit and estimate asphalt paving work

Northeast Construction Services, 2005 - 2007, 2015-2021
President/ Owner

Wakefield, RI

- Prepare and submit proposals for site work and utility construction for commercial and residential projects
- Coordinate and perform residential and commercial site work and utility construction

Shire Corporation, 2002 - 2005 / 1999 - 2001
Project Manager/ Superintendent

Providence, RI

- Scheduled and directed +10 in-house and subcontractor work crews for RIDOT projects estimated at \$10 million
- Buy-out and scheduled material deliveries
- Oversaw payment requisitions and negotiated extra work costs
- Estimated site, utility and pile driving costs for RIDOT bid proposals

Construction Superintendent

PROFILE

Results-oriented, hands on construction professional with 25 years of expertise in all facets of the industry. Verifiable track record for the successful completion of multi-million dollar projects on or ahead of schedule while maintaining costs. Versed in contract negotiations, project estimating, impending design problems, document preparation, building code and regulations, material purchasing, and site management.

SUMMARY OF SKILLS

- Efficiently and aggressively manage construction schedule to meet deadlines
- Actively monitor costs and instigate any changes needed to maintain budget targets
- Ability to manage, motivate and supervise team
- Professional representation of firm to client on jobsite
- Accurately read and interpret blue prints and job specs
- Ability to manage multiple projects
- Proficient in Microsoft Outlook for communication with owners and project managers
- Pride in being safety compliant

KEY PROJECTS AND SELECTED ACCOMPLISHMENTS

- RI Bridge Authority – Open road tolling and pedestrian tunnel for Jamestown Bridge
- Amgen Bionext - Administration buildings, roadways and all utilities
- Thompson High/Middle School – site package and athletics fields
- Pawtucket Water Authority – city wide water main replacement
- Rhode Island Resource Recovery – Landfill cap and methane venting system, Base liner and leachate system
- Ocean State Power- Design build conversion of gravel bank to 25 million storage pond which included construction of a dam, concrete intake channel and pumping station
- Salt marsh restoration for Army Corp. of Engineers which included dredging areas of Great Salt Pond and adjacent wetlands, installation of culverts and tide gates and rerouting of utilities.
- Route 95 Gateway Project
- Projects include work with Gilbane, Dimeo, J.L. Marshall, Bovis, Skanska, ADP Marshall, Bechtel, Flour Daniels, RI DOT, RIRRC, MA DOT, and others

EMPLOYMENT HISTORY

Wallace Construction
Providence, Rhode Island
Superintendent

April 2013 – November 2014

Managed personnel, resources and scheduling of assigned projects. Prepared estimates, performed job buy-outs, prepared submittals and provided necessary correspondence for all projects. Formulated, organized and implemented all project work schedules. Directed and supervised employees and subcontractors. Provided daily reports, submittals and pay estimates for projects.

**New England Building and Bridge
Smithfield, Rhode Island
Superintendent**

March 2013 – March 2014

Responsible for supervising operations of multiple bridge and drainage projects. Identified contract scope changes and applied related change orders. Attended job meetings and submitted required paperwork. Coordinated job progress from award to completion. Ensured the company safety policies were adhered to.

**InSite Construction
North Kingstown, Rhode Island
Superintendent**

April 2011 – Sept 2012

Responsible for supervising operations of multiple construction projects simultaneously. Identified contract scope changes and applied related change orders. Attended job meetings and submitted required paperwork. Ensured the company safety policies were adhered to. Provided QA/QC from all employees and all sub contractors.

**Manafort Bros.
Cumberland, Rhode Island
Superintendent**

April 2010 – April 2011

Supervised various projects and daily management of onsite personnel, scheduled material and equipment needs, and provided layout and recorded as built information. Prepared report updates to General Contractor and management on project status. Expertise in commercial buildings, utility work, asphalt, and all phases of heavy construction.

**Fleet Construction
Cumberland, Rhode Island
Superintendent**

April 2000 – April 2010

Managed all personnel and subcontractors. Met with General Contractor and owners to provide updates on projects and required reporting. Ensured job specifications and protocols were adhered to. Coordinated job progress from award to completion.

**Essex Excavating
Johnston, Rhode Island
General Superintendent**

January 1998 – April 2000

Managed personnel, resources and scheduling of all business operations. Prepared estimates, perform job buy-outs and provided necessary correspondence for all projects. Managed multiple projects simultaneously. Responsible for daily reporting, submittals, pay estimates and project profitability. Implemented and insured safety and quality controls.

C. Pezza and Son Inc.
Johnston, Rhode Island
Project Superintendent

June 1991 – January 1998

Formulated, organized and implemented all project work schedules. Directed and supervised employees and subcontractors. Provided daily reports, submittals and pay estimates. Executed Quality Control and Safety programs.

EDUCATION, LICENSES AND PROFESSIONAL DEVELOPMENT

- RI ISDS License – Individual Sewage Disposal System
- RI PJF License – Pipe Fitter Journeyman with F Class Electrical license
- TWIC
- OSHA Forklift Certified
- RI Operating Engineers License
- Federal CDL with Hazardous Endorsement
- Various Drain Layers Licenses
- OSHA 10
- First Aid CPR
- Fire Watch Trained
- New England Institute of Technology, Warwick, RI, Major: Heating Technology
- Roger Williams College, Providence, RI, Major: Civil Engineering
- Community College of Rhode Island, Lincoln, RI, Major: Law and Business Administration

SECTION 00400

BID BOND

KNOW ALL MEN BY THESE PRESENTS, that we the undersigned (Insert Name of Bidder)
NEW ENGLAND BUILDING & BRIDGE CO., INC., as Principal, and (Insert Name of Surety)
Western Surety Company, as Surety, are hereby held
and firmly bound and obligated unto the Town of North Kingstown, Rhode Island, as Owner, in
the sum
of Five Percent of the Attached Bid Dollars (\$ 5%),
(amounting to 5% of the Total Bid) as liquidated damages for payment of which, well and truly
to be made, we hereby jointly and severally bind ourselves, our heirs, executors, administrators,
successors and assigns.

The condition of the above obligation is such that whereas the Principal has submitted to the
Town of North Kingstown, Rhode Island a certain Bid attached hereto and hereby made a part
hereof, to enter into a contract in writing, hereinafter referred to as the "AGREEMENT" and/or
"Contract", for "Wickford Waterfront Improvements Project."

NOW THEREFORE,

- (a) If said BID shall be rejected or withdrawn as provided in the INFORMATION FOR
BIDDERS attached hereto or, in the alternative,
- (b) If said BID shall be accepted and the Principal shall duly execute and deliver the form of
AGREEMENT attached hereto and shall furnish the specified bonds for the faithful
performance of the AGREEMENT and/or Contract and for the payment for labor and
materials furnished for the performance of the AGREEMENT and/or Contract,

then this obligation shall be void, otherwise it shall remain in full force and effect; it being
expressly understood and agreed that the liability of the Surety for any and all claims hereunder
in no event shall exceed the amount of this obligation.

The Surety, for value received, hereby agrees that the obligations of said Surety and its bond
shall in no way be impaired or affected by any extensions of the time with which such BID may
be accepted, and said Surety does hereby waive notice of any such extensions.

IN WITNESS WHEREOF, the Principal and the Surety have hereunto set their hands and seals, and such of them as are corporations have caused their corporate seals to be hereto affixed and these presents to be signed by their proper officers, have duly executed this bond on the

2nd day of May, 20 24.

Gregory D Juwa, James J Axon, Michael F Carney, Michael T Gilbert, Wilder Parks Jr, Richard F Caruso, Christine B Gallagher, Rebecca Shanley, David A Boutiette, Adam W DeSanctis, Bryan F Juwa, Paul A Patalano, Jordan J Tirone, Jonathan E Duggan, Individually

of Woburn, MA, its true and lawful Attorney(s)-in-Fact with full power and authority hereby conferred to sign, seal and execute for and on its behalf bonds, undertakings and other obligatory instruments of similar nature

- In Unlimited Amounts -

and to bind it thereby as fully and to the same extent as if such instruments were signed by a duly authorized officer of the corporation and all the acts of said Attorney, pursuant to the authority hereby given, are hereby ratified and confirmed.

This Power of Attorney is made and executed pursuant to and by authority of the Authorizing By-Laws and Resolutions printed at the bottom of this page, duly adopted, as indicated, by the shareholders of the corporation.

In Witness Whereof, WESTERN SURETY COMPANY has caused these presents to be signed by its Vice President and its corporate seal to be hereto affixed on this 31st day of October, 2023.

WESTERN SURETY COMPANY

Larry Kasten, Vice President

State of South Dakota }
County of Minnehaha } ss

On this 31st day of October, 2023, before me personally came Larry Kasten, to me known, who, being by me duly sworn, did depose and say: that he resides in the City of Sioux Falls, State of South Dakota; that he is a Vice President of WESTERN SURETY COMPANY described in and which executed the above instrument; that he knows the seal of said corporation; that the seal affixed to the said instrument is such corporate seal; that it was so affixed pursuant to authority given by the Board of Directors of said corporation and that he signed his name thereto pursuant to like authority, and acknowledges same to be the act and deed of said corporation.

My commission expires
March 2, 2026

M. Bent, Notary Public

CERTIFICATE

I, L. Nelson, Assistant Secretary of WESTERN SURETY COMPANY do hereby certify that the Power of Attorney hereinabove set forth is still in force, and further certify that the By-Law and Resolutions of the corporation printed below this certificate are still in force. In testimony whereof I have hereunto subscribed my name and affixed the seal of the said corporation this 2nd day of May, 2024.

WESTERN SURETY COMPANY

L. Nelson, Assistant Secretary

Authorizing By-Laws and Resolutions

ADOPTED BY THE SHAREHOLDERS OF WESTERN SURETY COMPANY

This Power of Attorney is made and executed pursuant to and by authority of the following By-Law duly adopted by the shareholders of the Company.

Section 7. All bonds, policies, undertakings, Powers of Attorney, or other obligations of the corporation shall be executed in the corporate name of the Company by the President, Secretary, and Assistant Secretary, Treasurer, or any Vice President, or by such other officers as the Board of Directors may authorize. The President, any Vice President, Secretary, any Assistant Secretary, or the Treasurer may appoint Attorneys in Fact or agents who shall have authority to issue bonds, policies, or undertakings in the name of the Company. The corporate seal is not necessary for the validity of any bonds, policies, undertakings, Powers of Attorney or other obligations of the corporation. The signature of any such officer and the corporate seal may be printed by facsimile.

This Power of Attorney is signed by Larry Kasten, Vice President, who has been authorized pursuant to the above Bylaw to execute power of attorneys on behalf of Western Surety Company.

This Power of Attorney may be signed by digital signature and sealed by a digital or otherwise electronic-formatted corporate seal under and by the authority of the following Resolution adopted by the Board of Directors of the Company by unanimous written consent dated the 27th day of April, 2022:

"RESOLVED: That it is in the best interest of the Company to periodically ratify and confirm any corporate documents signed by digital signatures and to ratify and confirm the use of a digital or otherwise electronic-formatted corporate seal, each to be considered the act and deed of the Company."
